

ET 2481 LED

Colour(s)

OP

EXTRA PROTECTED LUMINAIRES ■ LED

- Waterproof orientable projector IP68 for module LED SPOT, maximum 3 220 lumens
- CRI of 80
- MacAdam Ellipse: 3 SDCM
- Available in 3 000 K, 4 000 K
- 50 000 hours lamp life (L80B10)
- Luminous efficiency of system up to 117,5 lm/W
- Outdoor or indoor application
- Housing made in opale polycarbonate
- Housing made of injected polycarbonate
- Static heat sink
- **Weight:** approx. 1,3 kg
- **Driver(s) :** Fixe
- **Option(s) :** Stainless steel suspension brackets, power cable transparent
